**SUMMER REGISTRATION NOW OPEN**

Summer 2025 registration is now open for online and on-campus courses! Students registering for courses during the Summer term will complete the attached paper registration form as DualEnroll is not available for summer courses. Please spread the word to all interested students that summer Dual Credit registrations are not eligible for the discounted \$75 per credit rate; students will be charged the [current undergrad part-time per credit fee](#), though Advanced Opportunities funding can be applied toward summer tuition at the standard \$75 per credit rate.

Please reach out to Dual Credit Administrative Coordinator Katy Riebold at 208-885-4074 or [kriebold@uidaho.edu](mailto:kriebold@uidaho.edu) for more information.

---

## FALL REGISTRATION OPENS APRIL 18

Fall 2025 registration for online and on-campus courses will open **at 3 p.m. Friday, April 18**. Please work with students to get registration requests submitted and approved by counselors before leaving for summer break to help ensure their registration is processed before the **September 2** deadline and before sections fill up!

Questions? Contact Dual Credit Administrative Coordinator Katy Riebold at 208-885-4074 or [kriebold@uidaho.edu](mailto:kriebold@uidaho.edu).

---

## ENCOURAGE STUDENTS TO SIGN UP FOR ADVISING

Encourage your students to schedule time with the University of Idaho Dual Credit Student Success Specialist Crystal Cox! Students can seek information on Dual Credit courses, get advice on study skills, explore careers, or anything else where they could use support. Crystal is available from 3 - 5 p.m. Monday through Friday.

[BOOK A 30-MINUTE APPOINTMENT HERE](#)

---

Do your students need help ordering transcripts for scholarship and college applications? Current students can access unofficial transcripts through [MyUI](#) on the *Student Profile* page. Current and former students can order official transcripts online through the [National Student Clearinghouse](#).

Review the [Registrar's Office webpage](#) for more information.

## 2025-2026 COURSE SCHEDULING

University of Idaho Dual Credit is starting to plan for next year, and we need your help! Here is a link to access the [2025-2026 Academic Year Course Scheduling Survey](#) to let us know what you will be offering on your campus during the **2025-2026 academic year**. This survey represents a new format from what has been done previously: You will now report all classes that will be offered at your high school during the upcoming academic year on this single survey — there will not be separate Fall Semester and Spring Semester scheduling surveys. This change helps to streamline scheduling and registration processes and supports faculty liaison communication and site visit travel planning. **Your responses should include all courses that you will be offering next year, the teachers that will be facilitating them, and the term that they should be scheduled.** (If possible, please complete one survey per school; if this is not an option, you will have access to submit the survey more than once.)

As a reminder, U of I is transitioning to four-digit course numbers beginning in the Fall 2025 Semester; the updated, four-digit course numbers are reflected in the survey with a notation of the previous three-digit course numbers included for reference. You can also find the crosswalk from three-digit to four-digit numbers [here](#).

**Any schools, courses, or sections not listed on the survey will not be scheduled for the 2025-2026 academic year.** In order to ensure that we have an accurate schedule created and ready for your registration window, please follow the link below and complete the survey **prior to Friday, May 2**.

Not offering courses during the 2025-2026 academic year? Please complete the survey to let us know!

Please reach out to Dual Credit Administrative Coordinator Katy Riebold at 208-885-4074 or [kriebold@uidaho.edu](mailto:kriebold@uidaho.edu) with any questions.

# FACULTY

# SPOTLIGHT

## Wendy Auld

Sandpoint High School  
Sandpoint, Idaho

**Dual Credit Courses:** MATH 143 -  
College Algebra

**When I'm not teaching...** I am boating, hiking, mountain biking, swimming, camping, skiing, doing yoga, cooking for friends, reading voraciously, gardening, and watching sports.

**Vandal Connection:** I have a master's degree in Education Administration from the University of Idaho!

*"I have always liked mathematics and I love teaching it. I can figure out a way to help anyone with math, even when their lightbulb doesn't burn bright at first. Teaching math is my superpower." - Wendy*

## IMPORTANT DATES and EVENTS

For a complete listing of important dates and deadlines for Dual Credit, visit <https://uidaho.edu/academics/dual-credit/deadlines>. For a complete list of University of Idaho events, visit <https://www.uidaho.edu/events>.

# SAVE THE DATE

Be sure to mark your calendars for **Vandal Science Day**, which is scheduled for Fall 2025 for **November 7**. Vandal Science Day is a free event where students get the opportunity to visit the University of Idaho's Moscow campus and participate in fun, hands-on science activities all while exploring scientific fields and careers.

Teachers are encouraged to bring their students! The Dual Credit Office can help plan the visit! Just complete the **FORM HERE**.

Reach out to Grant Harley at [gharley@uidaho.edu](mailto:gharley@uidaho.edu) with any questions.

## Summer Camp Open to High School Students!

The University of Idaho College of Engineering in partnership with TRIO is offering a week-long STEM Summer Camp in Idaho Falls **June 2-6** and again **June 9-13** for high school students. Students will engage in interactive learning, experimenting with cutting-edge technologies, and touring several research laboratories. Scholarships are available! Students must apply for the scholarships by **April 30** (see below). [Learn more and apply HERE](#). Encourage your STEM students to participate in this great opportunity!

**Full Scholarship for High School Students to Attend A Week-long (5 Days) Summer Camp in Idaho Falls**

**Session 1: June 2-6, 2025 (10 am – 2 pm)**

**Session 2: June 9-13, 2025 (10 am – 2 pm)**

**This educational program offers (led by University of Idaho):**

- 1) interactive and hands-on learning experience with cutting-edge technologies, along with a tour of several state-of-the-art research laboratories
- 2) get to know the professors, staff, and students and gain valuable insights about college life
- 3) enjoy a comprehensive scholarship package, including:
  - ❖ transportation to and from the event
  - ❖ delicious breakfast, lunch, and snacks throughout the day
  - ❖ take home a commemorative attendance certificate to showcase your achievement

**Application Deadline: 04/30/2025**

**Location:** 1776 Science Center Drive, Suite 306, Idaho Falls, ID 83402

**For more information, please contact Dr. Amin Mirkouei:**

**Office:** 208-757-5420

**Email:** [amirkouei@uidaho.edu](mailto:amirkouei@uidaho.edu)

**Main Learning Topics:**

- ❖ Agriculture and Soil Health Improvement
- ❖ Renewable Materials and Biotechnologies
- ❖ Aquaculture and Water Treatment
- ❖ Critical Minerals and Materials
- ❖ Machine Learning and Artificial Intelligence Solutions

## Register High School Students for April's EXPO

Idaho high school students are invited to apply for VIP membership at the College of Engineering's nationally recognized Engineering Design EXPO. Students will earn an all-expenses-paid visit to the Moscow campus **April 24-25**. [Learn more and apply HERE](#). Students will engage in activities alongside current Vandal Engineering and Computer

Science student mentors, learn about student life at U of I, and network with professional engineers, faculty, and other students.

## Attend CSI's Dual Credit Teaching Partner Conference

The College of Southern Idaho is hosting a summer conference for their Dual Credit teaching partners and they have opened it up to other institution partners as well! The CSI 2025 Summer Conference will be held **June 3-4** on the CSI campus in Twin Falls, Idaho. Professional development continuing education credit is being offered through CSI and NNU which can be applied toward state teacher recertification requirements and can also satisfy UI Dual Credit annual PD requirements if you agree that it's applicable.

**CLICK HERE** for more information on registration, scheduling, and speakers. (Discipline-specific breakout sessions will be held on day two of the conference.)

## Spring Semester 2025 DATES AND DEADLINES:

**Summer Registration** | Open!

**Fall 2025 Registration** | Opens for online and on-campus courses April 18 at 3 p.m.

**Withdrawal Deadline Without A Refund** (Advanced Opportunities and Self-Pay) | April 25

**Advanced Opportunities Verification Deadline** | May 9

**Advanced Opportunities Submission Deadline** | May 16

**Final Grades for Spring Semester Courses** | Due by noon June 10 (open for entry May 26). All final grades are entered in [MyUI](#); click here for [directions on entering final grades](#).

**Final Grades for Full-Year Courses** | Due by noon June 10 for Full-Year Courses (open for entry May 26).
